<p>* Tariffs are charged at the rate set by the CBA for the given currency. If the CBA exchange rate for the currency is not set, then the amount is converted to US dollars at the international exchange rate, then the tariff is charged at the exchange rate set by the CBA for the US dollar.</p> <p>** If the transaction was filled in a currency different from your deposited currency, a negative position in the currency occurs, which, if not closed during the given trading session, may result in the charging of additional fees by the Bank's partner brokerage organizations. Information about fees mentioned above is available on the Account summary page of your investment application. Brokerage commissions charged by the Bank do not include fees mentioned above, as well as fees charged by partner brokerage organizations for foreign currency exchange transactions.</p> <p>DISCLAIMER: THE CUSTOMER BEARS THE RISK related to transactions in the financial markets. The Bank WILL NOT COMPENSATE the client's losses, if they were not caused by the Bank's dishonest behavior.</p>
