

**WILCO**

# The Wealth Partner You Always Needed —

*Integrated, Thoughtful,  
and on Your Side*

Through precision, depth,  
and international expertise,  
we help you protect, grow,  
and transfer wealth across  
generations — so you can  
focus on what truly priceless.

WILCO

# Wilco Wealth Management *Service Suite*

## 360 Family Service

Comprehensive solutions supporting key aspects of family and private life — from global real estate acquisitions and exclusive healthcare to tax and legal structuring, education for family members, and beyond.

## Advisory Team

Led by a CFA charterholder and a team of seasoned advisors with a deep expertise in global financial markets.

## In-House Investment Solutions Lab

Tailored investment strategies built around your goals, spanning all asset classes — including alternative and digital assets such as cryptocurrencies.

## Digital Platform

A seamless digital experience giving you secure, real-time access to your wealth — any time, anywhere. Built to global standards of security and compliance (ISO 27001).

## Daily-banking

Provided by Evocabank — one of Armenia's leading commercial banks, united with Wilco under a single ownership and integrated into our shared ecosystem.

## Philanthropy & Family Foundations

Expert guidance in creating and managing personal and family foundations — from concept to full operation, at any scale or level of complexity.

## Exclusive Club Formats

Private events and communities designed for investors, women, and next-generation heirs, fostering connection, insight, and shared growth.

## Concierge Support

Comprehensive assistance covering every aspect of your lifestyle — from personal security and travel coordination to leisure arrangements and educational planning.
